BEVERLY HILLS HIGH SCHOOL

PURPOSE

With Progress Through Reconstruction as its fitting theme, we present to you, this—the 1937 Watchtower. In the past year our Norman abode has been most temporary and unpretentious in its outward appearance. We have lived in a world of tents. Yet our life here at Beverly really hasn't changed at all. We have carried right on with the same spirit—that spirit of Progress which has always guided our loyal Normans to victory. We have progressed through the reconstruction of our home. Our walls have had to be torn down and rebuilt, but ten earthquakes could not alter this traditional spirit.

In keeping with this progressive movement, the key-note of the book is Progress Through Reconstruction. Therefore, a leader in the field of reconstruction—the reconstruction of our government, was selected to give his introductory message. He is a Justice of the United States Supreme Court—James C. McReynolds.

The art work, largely photographic, done by student photographers, is in keeping with the theme. The division sheets depict the various portions of Beverly under construction and some of the familiar haunts so much a part of our life here.

The staff have endeavored to produce a record of the achievements, activities, and daily life which will provide pleasant memories of your days at Beverly.

Beverly and the Normans will always continue to progress in their every endeavor!

Sincerely yours,

Editor.

Betty Beaver

F-OREWORD

A new building welcomes you. It has foundation more secure and lines more attractive than the old one. It will enlarge possibilities for your physical, mental, and moral development. You do well to celebrate; and I beg to join you.

But while you rejoice do not forget that with larger opportunities come greater obligations and less excuse for failures. Where much has been given much is required.

Now is your ONLY youth. Devote it to the acquisition of merit, the appreciation and practice of things that are true. Make yourself fit for high service—for exemplary success. Your forebears accomplished great things in surroundings far less attractive. It should be your welcomed privilege, through unceasing effort, to do them honor by surpassing them in excellence.

In Memoriam

THE silent symbol of the dawn,
Rising as a guardian in the east,
Sadly shows our flag at half-mast,
Flying as a signal to the world:
Spirit of a footstep that is gone,
Banner of a friend who now has passed.

Ugly wood supporting towering rafters,
Soon to be displaced by lusty voices—
Youth will then uphold the beams of learning.

This year in Beverly Barracks has proven to be a most unusual one. In fact, many have claimed it to be one of the happiest we have ever known. Certainly the last few months have proven that tangible, physical things are not the all important ones, for the real Beverly has improved despite the transfer to tents and bungalows.

It would have been easy to grumble at the air-conditioned bungalows, and it would have been natural to complain bitterly during zero weather when heads were hot and feet were cold. However, both students and faculty faced the unusual situation and in a spirit of friendship and cooperation learned to overcome the difficulties, to understand and sympathize with each other's problems, to be uncomplaining and unselfish, and to make the most of trying conditions.

The experiences of the year have demonstrated that the real Beverly is an indefinable something that pervades the whole school. It might be spirit. It might be sportsmanship. It might be friendliness combined with a feeling of mutual respect. It might be all of these things, but whatever it is, the year in the tents has helped to develop it to a greater extent than ever before.

During the same time the buildings have been strengthened, the real Beverly has also been strengthened, a Beverly so good that we must hold steadfastly to it.

G. A. Bowhay

Many and complex were the problems of the Beverly Hills Unified School District which confronted its Board of Education when the high school opened its fall session. This Board, composed of Mr. Clifford Hughes, President, Mrs. Letha C. Smith, Secretary, Mr. Eugene Swarzwald, Mr. Seth M. Bond, and Mr. Stanwood Field, working with Superintendent of Schools, Edward J. Hummel, and Assistant Superintendent, Cecil D. Hardesty, first attacked the manifold reconstruction problems. This required an unusual amount of time and effort on the part of all concerned, but produced results operating to the best advantage of both students and faculty. The student body, fully realizing how much they owe the Board of Education for minimizing the discomfort suffered in this unusual and disrupted school year, is looking forward to a happy future in the new building. To the members of the Board we give our thanks for the time and effort they have spent in this important period in Beverly's history.

14

I feel that this period of reconstruction at Beverly has been of great value to us all. We know now what it means to hold our student body together without all the mechanical devices usually needed to promote school spirit. Minus buildings and all the external physical comforts usually considered so necessary, we have emerged with a better appreciation of the meaning of school. We know now that the essential things to the success of any student body are a common purpose and a better understanding of the human relationships involved.

Buildings are built and used, then they deteriorate, become out of date. An earthquake occurs. To provide against such a future disaster, buildings are rebuilt, renovated, modernized. Thus, in buildings, progress through reconstruction!

But in humans, reconstruction is continuous. The personalities of young people necessarily undergo persistent changes; ideas, ideals, mannerisms, understandings—all are reshaped, renovated and modernized.

Thus each person is daily reconstructed; and may I wish for each Norman "A Century of Progress" in four short years of "Reconstruction."

SHERMAN MELLINKOFF

Four years in retrospect are hard to summarize in four paragraphs, especially four that say good-bye. In fact to say good-bye to Beverly, to all that Normans and Normandy have meant to me, is a difficult task in itself. Eight happy and profitable semesters have made unbreakable bonds of attachment.

Each Norman, as a vital part of his school, feels and lives the spirit that is Beverly's, takes with him a spark of that inspiration when he leaves. Similarly each Norman can contribute his share to Beverly spirit and tradition. Each year's student-body can add to the glory of Beverly's name.

We who began the school year in tents have earnestly endeavored to make our contribution to Beverly's spirit and cherished traditions. We have seen one of the greatest transitions in our school's history, and through that transition we have demonstrated something new in Beverly spirit. A loyal, cooperative student-body and faculty have proved that Beverly's spirit COULD live in a new abode, for Beverly's spirit LIVES IN the individuals who are Normandy, not in her walls alone. The challenge, therefore, is not to the bricks, but to Normans. May the challenge be met with achievement and progress.

I must confess that, to me, the task of writing this message is a pleasant one. Although I sincerely regret the nearness of my commencement, I have looked forward to the writing of this, my last farewell.

When I pause and reflect on the many happy and instructive hours I have spent here at Beverly, I realize more than ever that these four fleeting years have been four of the best years in my life.

I can only beg you who are contemplating your commencements in the future to take immediate knowledge of your surroundings. There are no finer groups of instructors, advisers, or classmates in any high school than here at Beverly. The opportunities are many and their values are infinite. Take the fullest advantage of these opportunities for never again will they be offered you.

To have been president has been an experience and a joy which I cherish most dearly. It is satisfying, moreover, to realize that I do not leave our school behind, but rather carry these happy memories forever.

THE GIRLS' LEAGUE

The activities of the Girls' League are varied and numbered. The Girls' League Cabinet whose duty it is to manage these affairs hopes that every girl as a member of the league will participate in these varied activities. First came the Big and Little Sister Party October 8, which is given at the beginning of each semester to help the new girls get acquainted and to welcome them to Beverly. Then came the Upper Grade Mothers' Tea October 22, which is given each semester to acquaint the mothers and the teachers. December 18, the Girls' League together with the Boys' League gave the Christmas Dance, with Freddie Packard furnishing the music. And last of all came the Lower Grade Mothers' Tea on January 13.

Starting a new semester the Big and Little Sister Party was given February 24 with a Hawaiian theme. On March 11 the Cabinet sponsored a Paper Drive to make money for the League. To the winners, the Senior A's, a cup was given. The Lower Grade Mothers' Tea was on March 18. Following this the two Leagues gave a second school dance, the Easter Dance, March 19. The Orchestra was Ray King's. To finish the term, the Upper Grade Mothers' Tea was given on May 26.

The Girls' League Cabinet is made up of the four officers of the League, Commissioner of Girls' Welfare, Commissioner of Girls' Athletics, President of the Alphas, Committee Chairmen, and the Historian. This group manages all Girls' League activities and helps to make many other school events successful.

Commissioner of Girls' Welfare: Claire Cox and Anne Gillespie; Commissioner of Girls' Athletics: Sally Millhauser and Virginia Edington; President of Alphas: Grace Fox and Ruthelen List; Chairman of Philanthropy Committee: Betty Beal and Jean Voorvaart; Chairman of Hospitality Committee: Martha Butler; Chairman of Serving Committee: Elinor Parker and Ruth DeYoung; Chairman of Ways and Means Committee: Marian Campbell; Chairman of Representative Committee: Ruthelen List and Kathlyn Codd; Chairman of Flower Committee: Patricia Young and Helen Weyman; Historian: Virginia Edington and Nancy Allen.

BOYS' LEAGUE

Every boy in Beverly is automatically made a member of the Boys' League at the time of his enrollment. The purpose of the league is to further the general welfare of all the boys in the school, and to cooperate in every way to help the faculty and the student body government.

The league is governed by the Boys' League Cabinet, composed of a President, Vice-President, Secretary, Treasurer, and six associate judges of the Boys' Court. The cabinet members also serve as judges of the Court, with the Vice-President as Chief Justice.

The Boys' League has several events during the year. At the beginning of each semester, they hold a Big and Little Brother party for the new boys. This custom was started only this year. They also have an assembly for boys only during the year.

Working for the good of the school, the league serves to unify the boys for better cooperation with the administration, faculty, and student body.

GIRLS' COURT

The Girls' Court is composed of the Commissioner of Girls' Welfare, who is the Chief Justice of the Court, and six associate judges elected by the Girls' League. Its faculty sponsor is Mrs. Grace Rathwell. The Court's purpose is to judge all cases of discipline which are referred to it by the Girls' Adviser, Mrs. Blanche E. Davis. The offenders are punished by being given citations. The number of citations given depends on the seriousness of the offense and the number of times the girl has appeared before the Court. If a girl receives many citations, this seriously affects her graduation. A new plan was started during the first semester. Under this, all girls with a number of tardinesses are brought before the Court, and chronic offenders are given citations. The new system was found to have great effect.

Commissioners of Girls' Welfare: Claire Cox and Anne Gillespie. **Judges:** Betty Ann Howland, Betty Ann Sherman, Merrie Louise Barber, Ann Thieme, Pat Fox, Nancy Allen, Betty Stacy, Isabel Darbyshire, Ann Pulliam, Kitten Hamilton, Norma Louise McKenzie.

BOYS' COURT

The Boys' Court is composed of the officers of the Boys' League and six associate judges. The Vice-President acts as Chief Justice of the Court. The purpose of this body is to judge all cases of discipline which happen outside of the classroom, such as going off bounds, ditching classes, and smoking at school. Last year a new system of punishment was put into effect. A psychological treatment of offenders has been found to have a much greater effect than the old system of citations.

Officers: President, Rennie Kelly and Jim Hendrick; Vice-President, Walt McKenzie and Gordon Payne; Secretary, Jack Rosenberg and Jack Donoghue; Treasurer, Neil Casson and Bill Henry.

Judges: Greg Kelly, Philip Hutchins, John Hutsler, Homer Rydell, Bruce Carpenter, Lee Champion, Bill Henry, Al Woodill, John Henderson, Bob Hine, and Bob Hummel.

BOUNDS COMMITTEE

The Bounds Committee is a group of students, under a faculty supervisor, Mr. Evan Engberg, who patrol the school grounds in order that no students leave the grounds during school hours without permission. This is necessary, not only for the students' protection, but because of state laws which make the school responsible for the welfare of the students while they are at school. The Bounds Committee has full powers to report those students disobeying the law to the school courts. It is composed of students who volunteer for this duty as a service to their school.

AUTO PATROL

The Auto Patrol is an organization of the school, composed of boys, under the head of the Commissioner of Safety. The duties of this group are to prevent parking near the school in places unfavorable to the neighborhood and the school, to prevent students from moving their automobiles during school hours, and to inspect the neighborhood where students may have gathered, thereby going off bounds and violating the rules of the school. The boys who serve as the Auto Patrol are carefully selected as they must be licensed operators, have automobiles in which to patrol, be trustworthy, reliable, and honest. Theirs is an important responsibility, as it not only protects the school from cases of injury, theft and other casualties, but also assures the parents of a maximum of safety while their children are at school.

NORTH WING

Into a sky of dreams and hopes and sunlit futures—
Soars a ladder scaling walls of rough-hewn, mottled brick;
To some it is but steps of age and climbing years—
To others it is the ladder of achievement and fulfillment.

ORGANIZATIONS

PALLADIAN SOCIETY

PALLADIAN SOCIETY

The members of the Palladian Society are the students in school who are superior in scholastic achievement. Besides fostering a high standard of scholarship, the purpose of the society is to encourage broad ideals of service. The activities include conventions, club meetings, and social functions, such as the semi-annual Sealbearer luncheons.

The Palladian Society is one of many such high school organizations. The California Scholarship Federation, of which the Palladian Society is chapter one hundred and eighty-five, has chapters in two hundred other California high schools. Members are accorded due honors in high school and wear the torch pin, which is the emblem of the club. Seniors who have been Palladians during two-thirds of their high school course become life members of the Federation and are known as Sealbearers.

Miss Margaret White and Mr. Norman Fjeldsted sponsor the Palladian Society.

Officers: President, Ruthelen List and Sally Millhauser; Girls' Vice-President, Ruth Melinkoff and Rhea Wilkinson; Boys' Vice-President, Jack Gavin and Irving Hellman; Secretary, Harriet Stacy and Suzanne Reynolds; Treasurer, Marcelle Fortier and Sylvia Berry.

ALPHAS...THE KNIGHTS

ALPHAS

A girl is made an Alpha as a reward for outstanding citizenship, scholarship, and sportsmanship. Candidates are recommended by the faculty and voted in by the members, no girl belonging to a secret sorority being eligible. The aims of the society are willing service and participation in school activities. Philanthropic work is the main activity of the Alphas. The girls send Thanksgiving baskets to the needy, help with the Christmas at Albion Street School, and give financial aid to girls through a fund kept in Mrs. Davis' office. Other activities include the annual Benefit Tea and the Alpha Dance. Alphas may be recognized by their royal blue sweaters with white A's. The sponsors of this group are Mrs. Blanche E. Davis and Miss Margaret White.

Officers: President, Grace Fox and Ruthelen List; Vice-President, Ruthelen List and Virginia Peck; Secretary, Harriet Stacy and Bettye Beaver; Treasurer, Rhea Wilkinson and Barbara Anderson.

Members: Barbara Anderson, Betty Beal, Bettye Beaver, Jewel Berry, Tru Bolin, Martha Butler, Marian Campbell, Karin Clark, Mary Lou Cletro, Claire Cox, Marie Dashiell, Ruth DeYoung, Virginia Edington, Jane Forster, Marcelle Fortier, Grace Fox, Anne Gillespie, Ethel Hamilton, Harriett Hessel, Florence Hickey, Ruthelen List, Patricia Loy, Ruth Mellinkoff, Sally Millhauser, Norma McKenzie, Anne Montgomery, Elinor Parker, Virginia Peck, Ann Pellicciotti, Betty Ann Sherman, Harriett Stacy, Peggy Stewart, Dorothy Thomason, Jane Thornburg, Jeanne Vander Pyl, Marcelle von Dietz, Jean Voorvart, Helen Weyman, Rhea Wilkinson, Kay Wilson, Shirley Woodhouse, Patty Young.

THE KNIGHTS

The members of the Knights organization have achieved the greatest honor that can be given to a boy in high school. They are chosen for membership in this group because they represent the highest in sportsmanship, school service, and in the encouragement of others to greater sportsmanship. The Knights' creed calls for dependability, an earnest desire to better the school, above average citizenship throughout their high school career, and an interest in athletics or other outside activities. Dr. Ayres, Boys' Vice-Principal, and Dr. Lowell Frost are the sponsors of this organization.

Officers: President, Dick Bendheim and Bob Beckham; Secretary-Treasurer, Frank Hintze and George Oliver.

Members: Bob Anderson, Tom Atkinson, Arnie Ballantyne, Bob Beckham, Dick Bendheim, Allan Boal, Chuck Boggs, Bob Breckner, Neil Casson, Ned Crist, John DeNault, Bob Dittrick, Jack Donoghue, Paul Doose, Bill Galloway, John Grant, Jim Hendrick, Frank Hintze, Bruce Jermyn, Van Kaufman, Rennie Kelly, George McConnell, Burt McCready, Walt McKenzie, Sherman Mellinkoff, Frank Mills, George Oliver, Gordon Payne, Bill Rosenberg, Jack Rosenberg, Walter Stoessel, Tim Tait, Jim Vance.

HI-Y . . . LEKTOS CLUB

HI-Y

The HI-Y is one of the boys' honorary clubs in Beverly. With Mr. William C. Morrison as sponsor, it was formed in 1929 as a branch of the Y.M.C.A. Although athletic prowess is the main requisite for membership, a boy may be made a Hi-Y member as a reward for other school services. The meetings are held on alternate Tuesday evenings. Occasionally outside speakers such as Y.M.C.A. men and teachers are entertained. The annual Hi-Y Dance is the outstanding social event sponsored by the club. Almost every high school in California incorporates a Hi-Y organization. Its purpose is to create and maintain high standards of character and service.

TRI-Y . . . EAGLE CLUB

TRI-Y

Tri-Y is the local name for the world-wide Girl Reserve organization. It is a Christian group under the Y.W.C.A. and is based on the ideas of service to the school and to the community and of personality development. Due to the popularity of the club, it has been necessary to divide it into three separate groups. In the fall a Junior Tri-Y consisting of ninth and tenth grade girls was formed, separate from the Seniors. By Christmas this group had grown so large that it was made into two clubs. There are now the main Snior Tri-Y for eleventh and twelfth grade girls, sponsored by Miss Mary Jenkins and Miss Anita Weil, the Junior Tri-Y for tenth graders, sponsored by Miss Harriet Touton and Mrs. Arnold Bowhay, and the Prep Tri-Y for freshmen, sponsored by Miss Alida Parker and Miss Rosalie Botterell. The first two groups meet on alternate Tuesday evenings at the Beverly Vista Community Church, while the Prep Tri-Y meets every other Tuesday at the homes of the members.

"Growing-Up" is the theme this year for all three groups. The meetings consist therefore of talks and discussions on such topics as personality, dress, and vocations. Other activities include social events and philanthropy work such as sending baskets to the needy on Thanksgiving and Christmas. Also, each year the Senior Tri-Y's decorate one room at the Kiddie Home.

A triangle within a circle is the symbol of the Girl Reserves. This is the emblem on the powder-blue sweaters which only the Seniors are allowed to wear. This organization is one of Beverly's finest and is rapidly increasing in membership.

EAGLE CLUB

The sponsor of the Eagle Club is Mr. Leonard Steimle who is also the scout master of troop 33. The members of the club are chosen from Eagle scouts who attend Beverly. To provide an opportunity for instruction in riding and to afford a means of knowing others interested in the same sport are the aims of the Riding Club. During the first semester the group rode every Monday and Wednesday at Du Brock's Riding Academy and every Thursday at the Bel-Air Country Club. This routine was changed, however, in the second semester, the members riding on Monday afternoons only, at Du Brock's. AIRPLANE CLUB . . . NORMAN YACHT CLUB

AIRPLANE CLUB

This club, sponsored by Mr. Louis Hanchett, features the building of one-cylinder gasoline engined model planes. Nation-wide contests are now being held with these planes ranging from four to eight feet in length. It is well that we have a club which is representing Beverly High in the neighboring meets. During the year, the members have taken trips to the Douglas Aircraft factory, and the California Institute of Technology wind tunnel in which models are tested. At present the club has a membership of eighteen, twelve of whom have made gasoline engine powered models.

Officers: President, Bob Hummel; Vice-President, Bill Foster; Secretary, Fred DeFrancesco; Treasurer, Bob Prentice.

Members: Wilbur Anderson, Nat Blankenship, Henry Kidd, Mansfield Mills, Dick Sischo, Joe Swanson.

NORMAN YACHT CLUB

This club has been in existence only one year, but it is rapidly becoming active. Under the sponsorship of Mr. Kenneth Beeson, one interscholastic regatta has been held at Balboa. In the East interscholastic racing is now included as an important sport of a school. It is the aim of our Norman Yacht Club also to achieve this end. Membership is open to any student of Beverly or to any faculty member, and it is not necessary that one own a boat to become a member. The club burgee is blue and white.

Officers: Commodore, Bill Bangs; Rear-Commodore, Edward Taylor; Vice-Commodore, Bill Bradley.

WATCHTOWER

The tower that stands guard over our school has this year witnessed, from day to day, the achievements and activities of the Beverly student body. All of these many paths of endeavor have been recorded in the Watchtower, which is symbolical of the progress during the past year.

The Watchtower has combined the efforts of art and literary staffs to produce a book of literary and artistic value. Under the guidance of Mr. Lennox Tierney, the new Photography Class has contributed various pictures, many of which decorate the pages of the annual and perpetuate the art theme, Photography.

Credit should be given to the following: Art—Shirley Woodhouse, Stanley Jameson, Harriett Ruth, Bob Moore, Frances Antholz, Bill Schmidt, Sid Cagan, Harry Hughes, Burton McCready; Photography—Charles Rutherford. Leadership is a very integral part of the Watchtower and our book is a success only because of the aid of our understanding faculty of which three teachers merit our credit and appreciation—these are Mrs. Monna Eagle, adviser, Mrs. Caroline Bennett, art adviser, and Mr. James Lee, who supervised the business activities.

The Watchtower is a permanent record of the school year to be set down in the annals of Beverly's history and to be recorded as a year's progress and achievement.

WATCHTOWER ART & PHOTOGRAPHIC STAFF

HIGHLIGHTS STAFF

This year the Highlights presented the school each week with a tersely written account of the news and an interesting feature section which is indeed a credit to Beverly.

The staff has put out several six-page editions this year in addition to interesting Senior issues. It has run complete stories of all of the important news items and has caught the eye of the student with many pictures and cartoons. The sports section held well-written reports of all interscholastic athletics of both boys and girls.

Among the innovations is a column written by Mr. Robert Ball concerning the advantages of different vocations and the adaption of our curriculum to various fields of work.

During both semesters the paper was under capable leadership. Tim Tait was at the helm the first semester and relinquished his position to Tom Atkinson for the second semester. Both staffs produced a notable paper and one of which Miss Eunice Schmidt and Mr. Andrew Good, the faculty advisers, are justly proud.

DEBATE SQUAD

DEBATE AND ORATORY

Beverly's history has recounted for many years the captured laurels of our Debate Squad, and this year's group has served not only to keep this record intact, but to create for our school an envious reputation in California as well as in national debate circles.

Throughout the year the squad has come successfully to the front in winning almost every contest entered. The year's activities were highlighted by astounding victories including those of interscholastic, state and places in national contests. The traditional torch of the Mellinkoff family was relinquished by Sherman in February, after one of the finest records ever made by any person in high school, to his sister Ruth who proved every bit as valuable as her famous brothers.

In the various debates, Beverly won the championship of the Bay League and of all Southern California. In the Bay League contest, Robert Hine won a huge bronze placque of the painting "The Signing of the Constitution" for the school, and he was given a gold medal for himself. Hine's fine oratorical prowess guided, as was the whole team, by Mr. Charles F. Wright's expert judgment, brought to the school the congratulations of all who witnessed the match. In the invitational competition for the Southern California championship, Beverly's colors were borne to victory by Ruth Mellinkoff and Robert Hine, who placed first and second respectively, in oratory. As recognition for their achievements, the Norman contestants will receive six medals and the coveted bronze placque for all-around excellence in the various speech divisions. The climax of the year's work was the National meet in which Robert Hine placed eighth with a fine record gained for our team.

RUTH MELLINKOFF

ROBERT HINE

For 1936-1937 the Norman forensic squad enjoyed a schedule unsurpassed by any California secondary school. In all, there were 145 interscholastic debates in 9 major speech tournaments. There were entrants in 15 oratorical contests, 15 extemporaneous speaking encounters, and 10 declamatory competitions. This year, in consideration of the number of important speech events won, was the most successful in the history of Beverly Hills High School. Sixteen of the twenty members of the debate class qualified for points under the rating of the National Forensic League, thus proving that the record was made through cooperative effort rather than through specialized individuals. This promises well for the future, as the National Forensic League has promised to hold the 1939 National Tournament at Beverly Hills, provided the idea meets with administrative and community support. The stimulus given to all forms of speech activity will be substantial, as the National Broadcasting Company will release the best addresses on a coast to coast hook-up. The Associated Press will also cooperate by setting up a special news dispatch room on the campus with wires running to 2,400 American newspapers. This will be the first time an N.F.L. tournament has been held outside the Middle West.

Each student should be justly proud of the Debate Squad for they have accomplished a great deal in their various endeavors. Thanks should be given to Mr. Wright for his understanding advice and unfailing support. The school realizes the success of the Debaters and appreciates the victories they have gained to add to the record of previous years.

A CAPELLA CHOIR

MUSIC DEPARTMENT

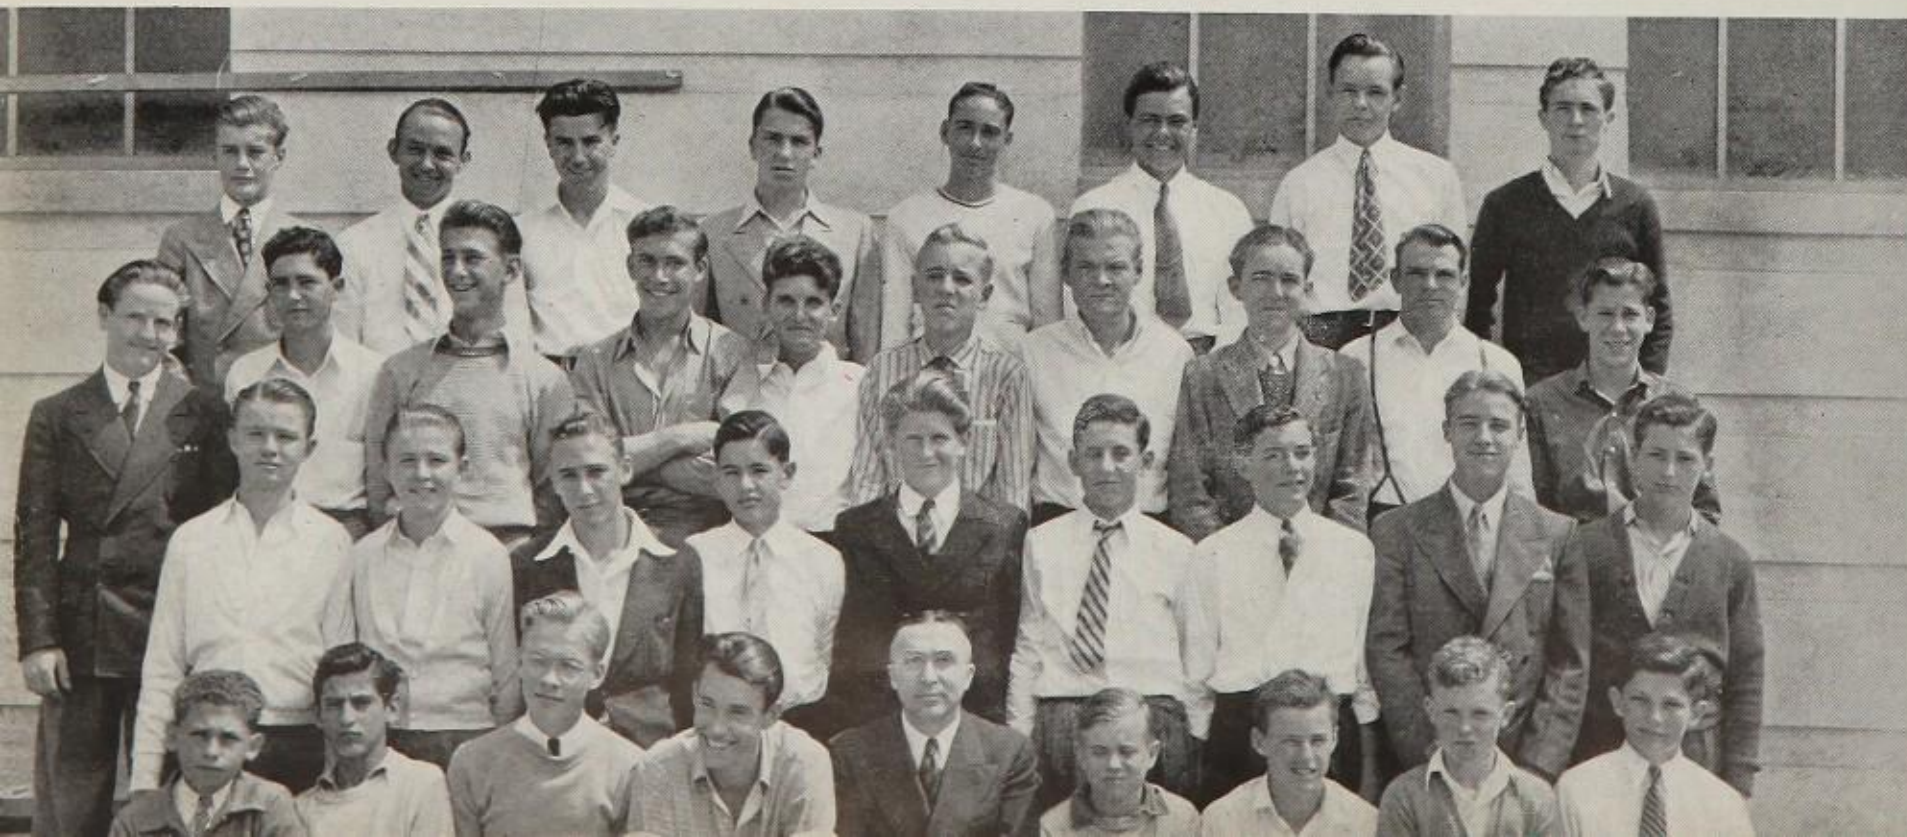

GLEE CLUBS

The ambition of every member of Beverly's music department is to belong to the famous A Cappella Choir. From the beginning of the year through both semesters the group has presented a series of finished performances and interesting concerts. Their many activities included a superb program on The Norman Parade over K M P C. The Choir received great acclaim for their radio work and have become noted for the precision of their work.

ORCHESTRA

A fine example of Beverly at its best is presented by our sixty-piece orchestra, ably directed by Mr. George Wright. By dint of much hard work by its director, the instrumentation has been so greatly improved that nearly all of the symphonic instruments now are represented.

MUSIC DEPARTMENT

The orchestra has played for the students at assemblies, has presented selections at commencement and the senior plays, and has presented concerts at the elementary schools. The outstanding feature of the year was the Spring Concert which was presented in May.

Managed by Colin Brown, the members of the orchestra have worked hard and justly deserve as much praise as can be given them.

Outstanding in the orchestra this year were Jimmy Getzoff, first prize winner in the Festival of Allied Arts for his rendition of the Bruck Concerto on the violin, and the members of the string quintette, also first place winners.

JUNIOR GIRLS' GLEE CLUB

BAND

MUSIC DEPARTMENT

GLEE CLUBS

One of the most notable achievements of the year was the development of our band from a small group to a finely balanced sixty-piece concert band. The credit for this must be given to Mr. George Wright, the director. In addition, the band has secured uniforms through the cooperation of the Student Body, the Parent-Teachers Association, and the band members themselves. The band has played at all football games, basketball games, and at assemblies. The annual concert was presented in the Beverly Vista School Auditorium and was very successful. It consisted of a series of selections by the band, several solo renditions, and the combined Boys' and Girls' Glee Clubs.

The band had the honor of winning the American Legion Trophy for 1937 in a competition with six other musical organizations on the basis of marching, uniforms, playing ability, and general appearance.

Managed by Bob Osgood in the fall semester and by Colin Brown in the spring, the band and the members are a permanent source of credit to Beverly.

THE WARRIOR'S HUSBAND

The class of Winter '37 gave, as their Senior Play, an effective presentation of Julian Thompson's "The Warrior's Husband." It was a hilarious farce on the life of the powerful Amazons, a race of women warriors who ruled their country and their weak women-like men. The play moved at a swift pace, was extremely amusing, and was received with a great ovation from the audience.

The striking sets were designed by Barbara Lee James, Joyce Pesterre, Jim Vance, and the stage mechanics class.

Miss Gene Nielson, assisted by Dorothy Thomason, directed the performance. Mr. Robert P. Whitten was the technical director aided by Paul Doose, stage manager and chief electrician.

THE ROYAL FAMILY

The first play to be given in the newly decorated auditorium was the highly successful Senior Play presented by the class of Summer '37.

The play, "The Royal Family," written by George Kaufman and Edna Ferber was assured of success by the talent and skill of these authors. It was cast doubly, one group playing June 4 and the other June 5.

Audiences both nights were highly entertained by the hilarious doings of this family of famous stage people who were trying to convince themselves that the normal life was better than their public-eyed one; but each time one member of the group would try to shake the bonds of years of acting blood, he would find his environment and training too strong within him.

While directed with fine precision by Mr. Frederic Spellicy, the play owes its success also to Miss Margaret Brown, who supervised the sets and costumes; Mr. Kenneth Mitchell, who was in charge of the business and publicity; Mr. Robert Whitten, who undertook the stage operations; and Mrs. Caroline Bennett, whose supervision of the programs was such an aid to the production.

COLOR DAY WINTER '37

Large flamboyant orange announcements heralded the color day of the class of Winter '37. The great Doctor Harry Chestum, ably acted by the versatile Sherman Mellinkoff, was introduced by the lusty-voiced barker, Bill Reinecke, who, in turn, presented various acts to stimulate the sales of Dr. Chestum's "Spirits of Healthum." The first of the acts was a mellerdrammer entitled "The Mortgage on the Malt" followed by various bits of vodvil. A tear-jerking drama, "Dan and Lou" or "Who's the Stranger?", was followed by more individual acts, and the grand finale was a graceful spring dance featuring the tattered remnants of the Beverly football team. It can be easily said that this Color Day was one of the most successful in Beverly's history.

COLOR NIGHT SUMMER '37

Led by a Norman Warrior and two page girls bearing their colors, the Summer Class of '37 filed onto the brilliantly lighted athletic field to forge their link in the traditional chain of Color presentations.

The background was effectively created by the tiers of Seniors who sat on movable risers facing the new bleachers wherein sat the enthusiastic audience. At one side was erected the temple of Norman spirit and a torch burned there throughout the performance.

The show itself was composed of a mock football game in which the girls shed their powder-puffs for football outfits, and the boys donned bonnets and furbelows and cheered them on. Skillfully announced by Bob Breckner and Bob Maddox, the show zoomed to a climax with selected acts of clever vaudeville which delighted the audience.

After the brawl, which followed Color Night, the Norman Warrior, John Grant, presented the torch to the president of the victorious Senior "A" class, who thrust it into a large bonfire. This flaming display was etched starkly against the night, and it left a feeling of awe to all who saw it.

CHRISTMAS PAGEANT

"The Quest for Happiness" was the title of this year's Christmas Pageant. Given by the Fine Arts Classes, it was a very effective presentation. The students created the story, designed the sets and costumes, and acted in the play. Their objective, "To show the relationship between Art, Music, Drama, and the Dance," was ably accomplished.

SHAKESPEAREAN FESTIVAL

For the purpose of a better appreciation of the works of William Shakespeare, the English Department staged and presented their second annual Shakespearean Festival. The production was under the direction of Miss Gene Nielson with the sets designed by the Stage Mechanics and Construction class, supervised by Mr. Robert P. Whitten. The plays represented were: Romeo and Juliet, Hamlet, Othello, Henry VI and VIII, Richard III, Macbeth, Taming of the Shrew, Merry Wives of Windsor, Mid-Summer Night's Dream, and Twelfth Night.

VERSE CHOIR

One of the outstanding activities at Beverly this year was the Verse Choir, which gained notice and acclaim from all who heard its many performances.

Under the direction of Miss Gene Nielson, the group has presented many fine programs. They have performed several times at the Teachers' Institute for enthusiastic and distinguished audiences, for the P.T.A., for many of the Mothers' Teas, and for the Beverly Hills Women's Club.

Perhaps the most outstanding efforts were the productions on the "Norman Parade" over K.M.P.C. wherein the group did so well that they were invited to perform over K.H.J. on a state-wide hook-up. They were so successful that a semi-monthly hour was offered them in this part.

The precision and skill of the work and the cooperation of the students has produced an enviable record of stellar performance and has established for our school the notice and esteem of all in the dramatic field.

The members are:—(Picture arrangement)—Back Row—Joy Rogoff, Elinor Graham, Elinor Parker, Lois Budelier, Lillian Hoenig, Betty Nixon, June Wade, Blossom Akst, Mary Darling. Front Row—Elinor Davenport, Harriet Hessell, Jean Voorvaart, Norma McKenzie, Ann Pelliciotti, Mary Powell, Eleanor Van Brunt, Dorothy Thomason, Edith Lieberman. Jack Cotton, Bob Austin, Gordon Payne, Bob Laverty, Bob Maddox, Willard Keith, Matt Mahana, Earl Hughes, Walter Stoessel, Bill Rains, Ray St. John.

MURAL

As a lasting tribute to the Norman spirit, Van Kaufman, W'37, assisted by the mural class has created on the walls of the foyer of the auditorium a mural that will be imprinted not only on these walls but on the memory of each person who views it.

Every student is conscious of the theme that was chosen as it is the contrast between the battles of the Normans in ancient times and the Normans of Beverly today. The black-sweatered Knight is not unlike the Norman Knight of Chivalry and is represented as being the outstanding type of boy. The royal blue sweater worn by the Alpha at Beverly is a symbol of service and faith. The press, the libraries, and the newspapers are all contrasted in the Doomsday Book, the only formal record of the Norman period showing growth in learning and industry.

The old sedate monasterial schools form a background for the modern coeducational system today. The maps of the world are reproduced to measure in time with the Normans of Chivalry. The social life of the modern age is cultured and refined in contrast to the vulgar, crude ways of the old Norman life. So does the mural depict the growth in learning and spirit from earliest time to the present day.

The mural is cleverly worked together with fresco paints on rough, wet plaster. The unusual technique of fresco painting dates from the Greek civilization and has recently been used for popular purposes.

Our student body together with the citizens of Beverly Hills should be justly proud that such an artistic triumph has been successfully achieved in this school. This mural should be an incentive to growth and endeavor as it was to those who created it.

STAGE CREW

STAGE CREW

The Stage Crew, directed by Mr. Robert P. Whitten, is an honorary group selected each semester from the Stage Mechanics and Stage Construction students. The group stages all Beverly productions as well as assists at numerous school dances, student body assemblies at Warner Bros. Theatre, and other campus activities. They have provided an invaluable asset to the staging of various school productions.

Members: Bob Austin, Ted Ballard, Betty Bley, Victor Caliva, Paul Doose, Clarke Harris, Helen Houston, Harry Hughes, Joe Jackman, Barbara Lee James, Eric Lee, Miriam Mason, Magdalene Nichols, Bette Park, Joyce Pesterre, Bob Prentice, George Rapp, Frank Rose, Ray St. John, John Strock, Jim Wolfe.

LIBRARY COUNCIL

New to Beverly was the formation of a Library Council to facilitate the distribution of books and to aid in the establishment of a bond between the classroom and the library. As one of Beverly's largest experiments, the council has proven a great success in the eyes of the administration.

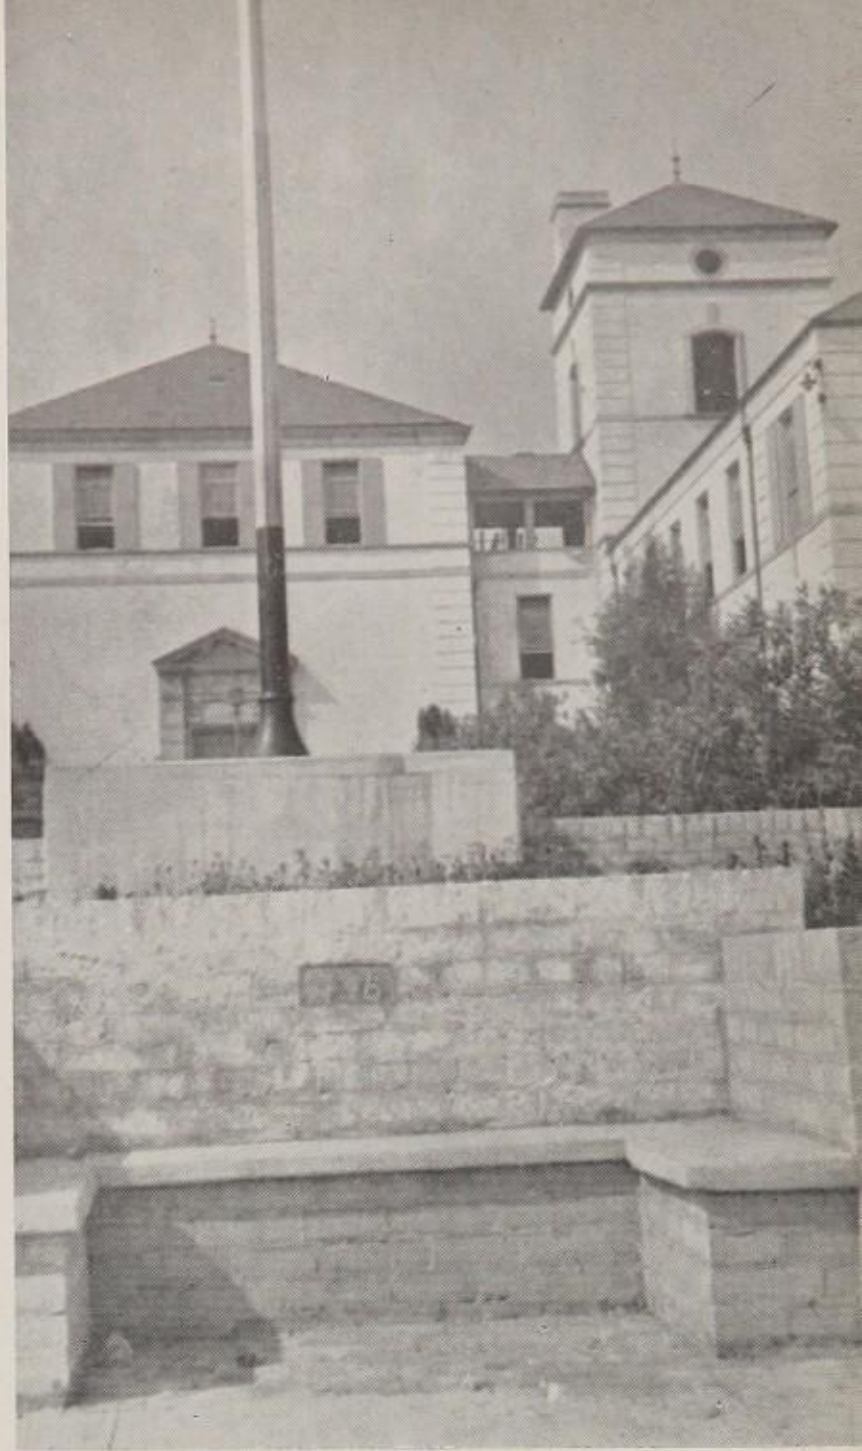

The group is organized as a unit under the leadership of the Library Staff of which Natalie Platt is the president. The membership of the council consists of one person selected from every class. The library staff is the group which assists in the management of the Library during their free period.

Under the tutelage of Miss Hazel S. Vaughn, the Library has performed innumerable services to our school.

WALT HERREID. This big behemoth from Washington State come to us via San Diego to produce in his first year here as fine a team as has ever represented Beverly on the gridiron. His team was composed of fighters that, despite their size, never said die. Many were of the opinion that he had the best team in the League, and all of the credit goes to Herreid. His ability to get along with his players was an outstanding feature of his coaching.

F O O T B A L L

WALT McKENZIE. The best signal caller in the League was Walt, and well deserving of the honor, too. His great leadership, hard driving, splendid punting, and unexcelled sportsmanship put him at the top for his team-mates to follow. One of the hardest running backs in the League, Walt played his quarterback post superbly. His playing in the Santa Monica game was a pleasure to behold, and his signal calling was tops.

THE SEASON

The 1936 Bay League Football season found Beverly Hills finishing in second place with Redondo first. The Orange eleven won two games during the League season, lost one, and tied one. The wins were over Compton, 13-0, and Santa Monica, 12-6. Compton was perhaps the easiest "pickens" for the Normans. Only a good goal line defense kept the Tartars from being swamped. The Santa Monica game was one of the biggest upsets of the season. Favored to win, the Vikings trotted onto their home field, confident of a win which would cinch them the second place. Instead, they found themselves in fourth place. Great leadership by Captain Walt MacKenzie won that game for the Normans. The lone loss was to a powerful Redondo aggregation, champions of the League, in a close contest played on the Sea Hawk field. The tie was with Inglewood, who was the favorite to win by two touchdowns. The Normans completely dominated the play on that day.

Much credit is due Coach Walt Herried for molding such a strong eleven in his first year at Beverly. He not only landed eight of his players on the first two all-league teams, but also developed much promising talent for college football.

In the Orange and White line, Montgomery at End, Hendrick at Tackle, Gingras and Caliva at Guard, and Jack Rosenberg at Center were outstanding. Ian Elliot, End, has three more years on the Norman eleven, and sensational things are expected of him. Bob Dittrick, Tackle, was the most promising for college football. Rugged and strong, he should go far. In the Back Field, Captain MacKenzie, Farrell, and Erwin played brilliantly. Erwin should be the star of the Bay League next year.

GAME BY GAME

INGLEWOOD 0-0

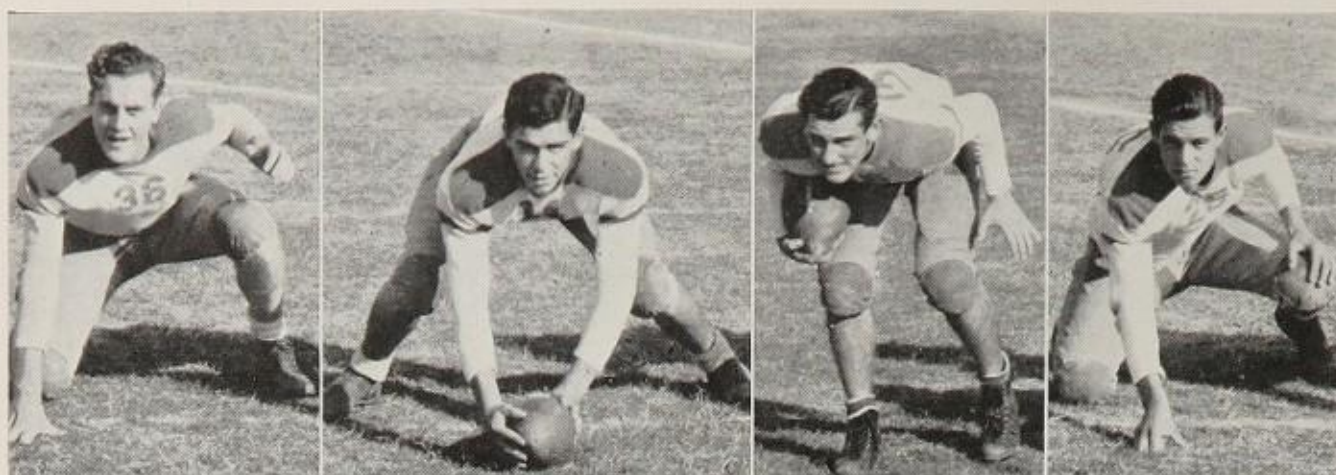

In this first League contest, the Norman eleven took the field as the expected underdogs by two touchdowns, and proceeded not only to hold the highly touted Sentinels to a scoreless tie, but completely to out-play the green-shirted boys in every department of play. Late in the fourth quarter, after two touchdown drives had been frustrated, Tommy Farrell, playing the game of his life, took a poor Inglewood punt on the Green and White forty. He ran through a broken field for a score, only to have the play called back and the Normans penalized for roughing the kicker. During the entire game, Inglewood failed to penetrate Norman territory beyond the thirty yard line. Lefty Erwin backed up the line like a demon. Joe Caliva and Jerry Gingras both turned in good games at guard.

COMPTON 13-0

This was Beverly's most decisive victory of the season, the Orange shirted gridders winning 13-0 on the Compton field. The first half closed scoreless, although Beverly was down on the Compton one yard line as the gun went off. In the second half, with Bill Rosenberg playing heads up ball, Beverly started rolling and made two touchdowns with Erwin and Brown scoring. The Tartars never got in scoring territory. Bill Rosenberg was far and away the best man on the field that day, with Erwin, Dittrick, and Elliot also playing good ball.

REDONDO 7-13

Beverly went down to defeat at the hands of Mickey Colmer and Company in a tight ball game that found said Mr. Colmer scoring all of his team's digits. Early in the first quarter, this likeable giant grabbed a stray Norman pass and romped fifty-four yards for a touchdown. Later, in the second quarter, he scampered off tackle for fif-

JIMMIE HENDRICK
Tackle

Considered best tackle in League by many. A red-headed fighter who played in nearly every minute of every game.

JACK ROSENBERG
Center

Jack was the second best pivot man in the league. He backed up the line with remarkable success. Returning.

JIM O'RIELLY
Half

A sophomore who should develop into a real ball player. A speedy, shifty back who should be heard from in the future.

Sensational Freshman who stepped into a regular job and held it. Improved and was playing great ball at end of season.

teen yards and the deciding score. Adding insult to injury, he also converted. In the third quarter Beverly made a sustained drive down the field for their lone tally with Lefty Erwin diving over. Joe Caliva made good the extra point. Ian Elliot caught a long pass earlier in the game and ran to pay dirt, but the play was nullified when a penalty was called on the Normans. Jerry Gingras was the best Orange shirted gridder on the field, playing in the Sea Hawk backfield most of the afternoon.

SANTA MONICA 12-6

In this, the big game of the year, the Normans upset a favored Santa Monica eleven on their home field, 12-6. Jack Cassidy, brilliant Samohi flash, drew first blood for Samohi, scoring on a perfect cut-back play. Beverly rallied at the start of the second quarter, with a flat pass to Captain Walt MacKenzie in the end zone from Jack Manville. Tommy Farrell put the ball in scoring position when he grabbed a long pass, also from Manville. Late in the same quarter, Lefty Erwin terminated a drive down the field by plunging over for the winning tally from the two yard line. Every player on the field gave everything he had, and it was a glorious ending for the prep-football careers of the seniors on the team. Shining lights were Captain Walt MacKenzie, who was without a doubt the outstanding man on the field, Bill Rosenberg, Jim Hendrick, Bob Dittrick, Vic Montgomery, Joe Caliva, and Tommy Farrell.

TOM FARRELL
Half

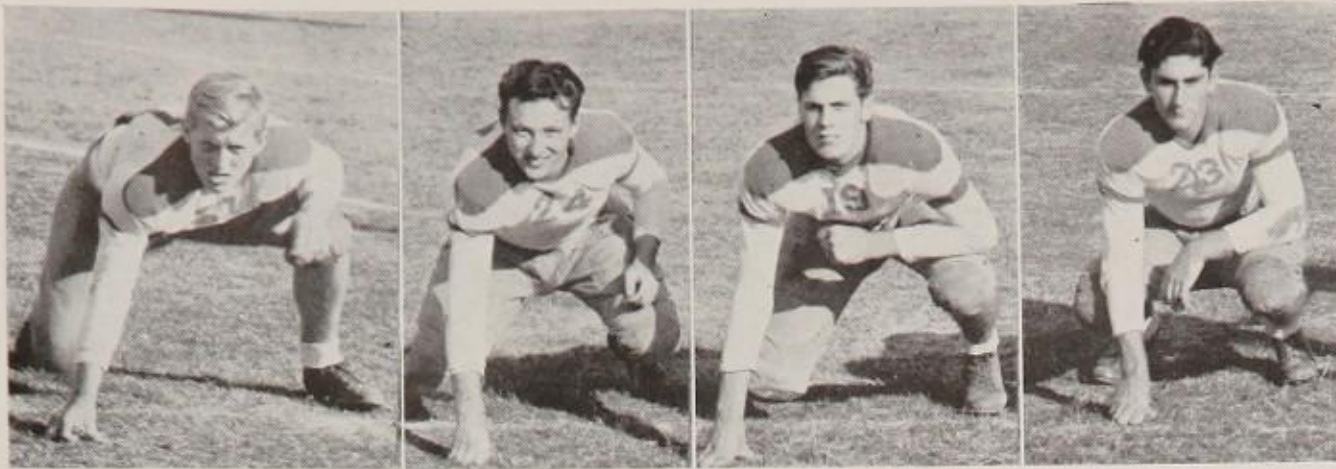

Tom was the fastest open field runner on the squad. He snagged many passes for long gains. He starred against Inglewood.

JACK MANVILLE
Half

Jack was one of the best passers and punters on the team. The Manville to Farrell combination was outstanding.

BILL ROSENBERG
Half

Bill was the outstanding back on the team during the past season. He made the all-league team. A two striper.

BOB DITTRICK
Tackle

Bob got a slow start but improved as the season went on till he was first string. Stone wall on defense.

JOE CALIVA
Guard

Joe was the man with the educated toe and was one of the most versatile players on the team. Two year man.

JERRY GINGRAS
Guard

One of the deadliest tacklers in league and the only man to stop Colmer of Redondo. All League. Captain-elect.

MAURY BROWN

Played behind Erwin and was a leading ground gainer. Played well against Compton. Will return next year.

CAPTAIN DICK POTTER COACH SAX ELLIOT

BEE FOOTBALL

The Lightweight Football team closed a fairly successful season in third place in Bay League competition. With six returning lettermen on the first team, the Bees did not make as much out of this advantage as they could have. However, this fault cannot be laid to Coach Sax Elliot, as he did everything in his power to make a winning ball club out of his material. Much credit is due him for uncovering and developing many potential Varsity stars for the future in Bob Laverty, Dick Potter, Warren Lewis, Roger Laverty, Roland Perry, and Jack Wells.

The lone Bee win was over Redondo in the third league game. Bob Cromwell, sub quarter, ran fifteen yards for the score. A pass to Bob Laverty was good for the conversion. In the Inglewood game which ended 6 all, Cromwell again took the starring role offensively, running fifty-four yards on a punt return for the lone tally. Jimmie Stiffler, dynamic running guard, was the outstanding man on the field, making over half of Normandy's tackles. The two losses were to Compton, 13-6, and to Santa Monica, 13-6.

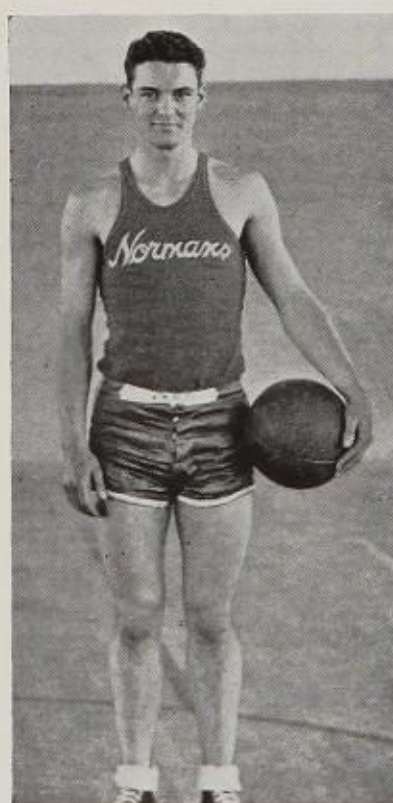

In the line, Cochran at end, Lewis at tackle, Stiffler and Roger Laverty at guards stood out. Emmons Williams at center played sensational football against Santa Monica. Stiffler and Lewis were all-league. In the backfield, Perry was consistent at quarter, Captain Potter was dangerous at full, and Bob Laverty and Patterson were threats at the halves. Laverty was all-league.

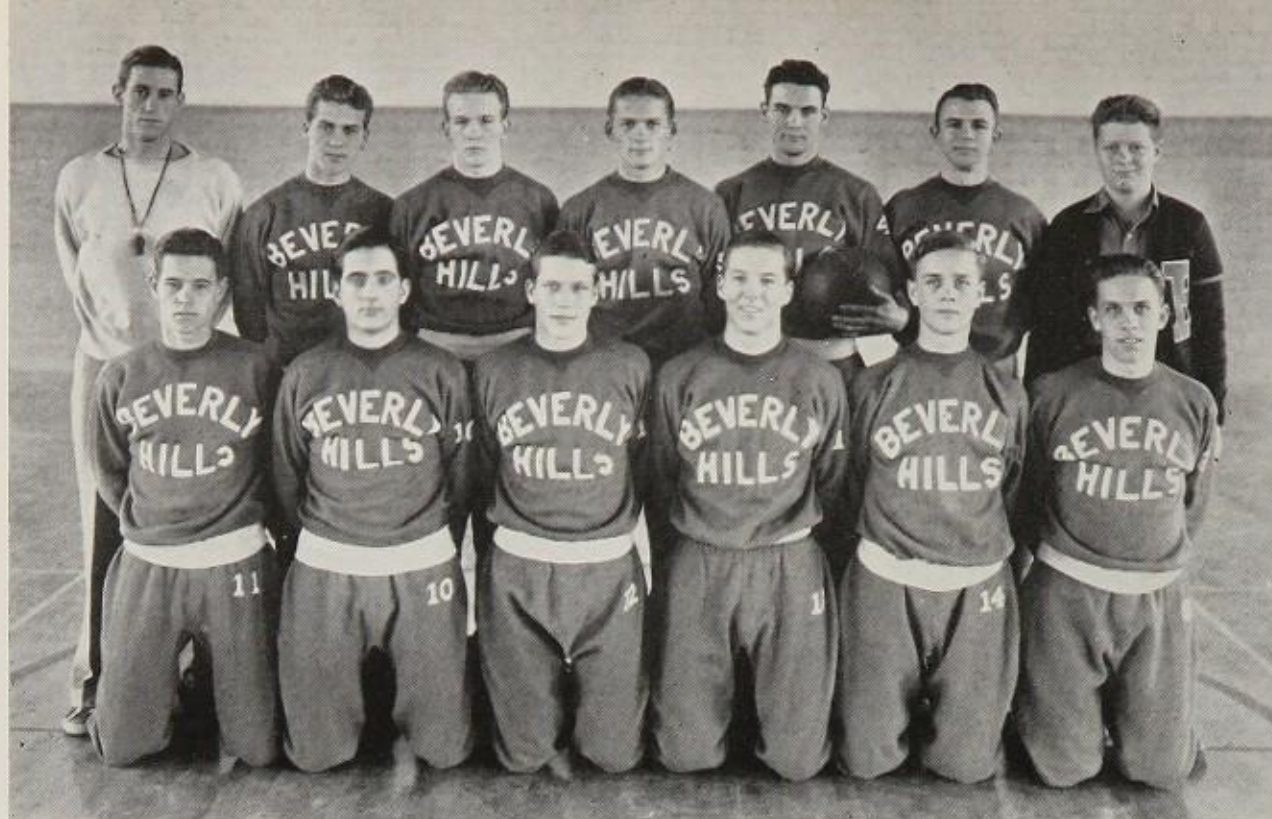

SAX ELLIOT. Elliot turned out a championship Casaba squad in his second year of coaching, which is plenty in itself. He changed his style of play to suit his individuals and took advantage of the experience of himself and his players to mold a championship team. Every player on the team was a credit to him as a coach and too much credit can not be given him for giving Beverly its first major sport Championship.

B A S K E T B A L L

RENNIE KELLY. Rennie, while playing his last four years of high school basketball, led his Norman five to the Bay League Championship. Rennie will go down as one of the finest leaders ever to represent Beverly, and his fine sportsmanship will long be remembered. He was unanimous all-league Forward and his fine eye and uncanny dribbling ability gave him a scholarship to U. S. C.

BASKETBALL

The 1936-37 Norman Basketball Campaign resulted in the first Bay League Major sport Championship for Beverly Hills. The hoop squad lived up to expectations by coming through the winner in a hectic double round schedule, winning from Redondo, 24-23, in the last game of the season.

With eight returning lettermen to greet him, Coach Sax Elliot started out by changing his offensive to a one-four type, employing only one guard to handle the ball, thus enabling more strength under the basket where height counted. This system proved very successful and may be the reason for the fine showing of the team.

The team was defeated only once during the league season; by Redondo, the runner up, in the first round. Going into the last game with Redondo, the two teams were tied and the game was a natural, played before a packed house of thrilled spectators at the Redondo gym. The game was one of the most exciting ever witnessed in the Bay League and resulted in the Norman Championship.

Outstanding during the season were Captain Rennie Kelly and Bill Galloway, both playing their third years of varsity ball as forwards, Bruce Jermyn at Center, a newcomer who was the most valuable man on the team, and Frank Hintze, easily the best defensive man in the League. He held Pierre Guelff, Redondo Captain and star who had averaged 17 points per game, to three field goals in two games.

The team, at the end of the Bay League season, lost every man but two on the first and second teams. Sax Elliott, drawing from his third string, Jayvees, and even from the Bees for material, wadded together a formidable looking outfit that went out, with nothing whatsoever expected of them due to their lack of experience and time played together, and proceeded to get themselves into the semi-finals of the C.I.F. playoffs, knocking over such teams as Harvard, Champions of the Prep League, Carpenteria, Winners of the Ventura League, and Chino, tops in the Tri-County League.

The team was composed of Captain Bruce Jermyn, Sandy Cameron, Arnie Ballantyne, and Ian Elliot at Forwards and Bob Breckner at the Guard post. Terry Holberton and Bill Loy saw action as subs.

An outstanding feature of this year's season was the road trip taken to Brawley and El Centro where the team encountered the High Schools and Junior Colleges of the respective towns in two nights. The four games were all won by Beverly by large scores. Another trip was taken to San Juan Capistrano which also resulted in a victory for the Normans. These trips, taken during Christmas vacation, were invaluable experiences for the players and made a good name for the school.

GAME BY GAME

INGLEWOOD . . . In the first game, the Normans put on a withering last half rally that put the Sentinels to shame after a slow first half. The Orange offense was sloppy and the Green and White were running them ragged on defense. Galloway and Kelly led the scorers. In the second game a much smoother team took the floor, and a 35-22 victory resulted. Rennie Kelly and Bill Galloway again led the scoring with 12 points apiece. Every one on the squad of twelve saw action. Berry of Inglewood impressed with his speed.

SANTA MONICA . . . These two games were the toughest next to Redondo that the Normans had all season. Again a last half rally won the ball game in the first fracas. Trailing 15-7 at half time, the Normans brought the score up to 18 all at the end of the third stanza. Then two one-handed shots by Chuck Boggs, along with ones from Galloway and Jermyn, put the game on ice. Final score was 26-20. The last game was a rough affair with Samohi throwing a scare into the Norman camp by closing a gap in the last half which almost nipped the Champions. Bruce Jermyn was high point man for the affair with ten digits, all scored in the first half. Score was 24-23.

COMPTON . . . The first game of this series was by far the most exciting game ever witnessed in the local gym. Outstanding was Frankie Hintze, diminutive guard, who not only scored two much needed buckets, but was great on defense. The game was nip and tuck throughout with the Normans coming out with a 17-16 advantage at the final gun. Elliot and Reeser, reserve forwards, played well. The second game was a drab affair with Beverly the winner 27-19. Captain Kelly led the scorers.

BILL GALLOWAY
Forward

Bill led Beverly to more than one victory during his three years of varsity competition. The leading scorer this year.

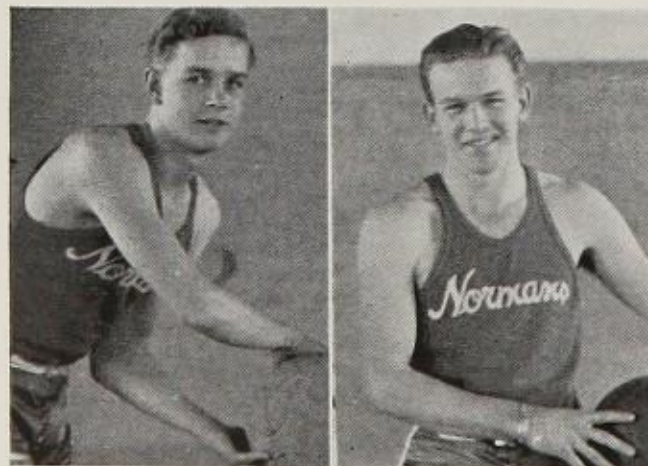

BRUCE JERMYN
Center

A great backboard man who earned the title of the most valuable man on the team. A good pivot shot.

FRANKIE HINTZE
Guard

Best defensive man in the league and was an all-league player. Playing defensively, the shots he took counted.

REDONDO . . . The two Redondo games will long be remembered by the Beverly basketball teams as two of the toughest games they ever played. In the first fracas, Beverly led at half time 19-13, but couldn't hold it, and wilted under the power of the giant Sea Hawks. Bill Galloway led the Norman scoring with 15 points. Mickey Colmer was outstanding with 13 points to his credit. Hintze held Captain Guelff to two field goals. Final score 35-33, favor Redondo. The second game is history. At Redondo before a throng of loyal rooters, the Beverly five, led by Frankie Hintze and Bruce Jermyn, emerged victorious, 24-23, in a real thriller. Hintze again held Guelff down, this time to one field goal, thus forcing Colmer to single-handedly attempt to stave off the Norman attack. Colmer bagged high point honors with 13 digits. Kelly, Jermyn, and Galloway led the Norman scorers. With Redondo in the lead at the middle of the last quarter, Bruce Jermyn hit the hoop for three field goals to leap up to within two points of the Sea Hawks. Then Bill Galloway's sensational one-handed shot tied the score at 23 all. At that point, with 30 seconds to go, Galloway was given a free throw. That steel nerved Norman sank the gift shot to put the Normans in the lead, which they never relinquished.

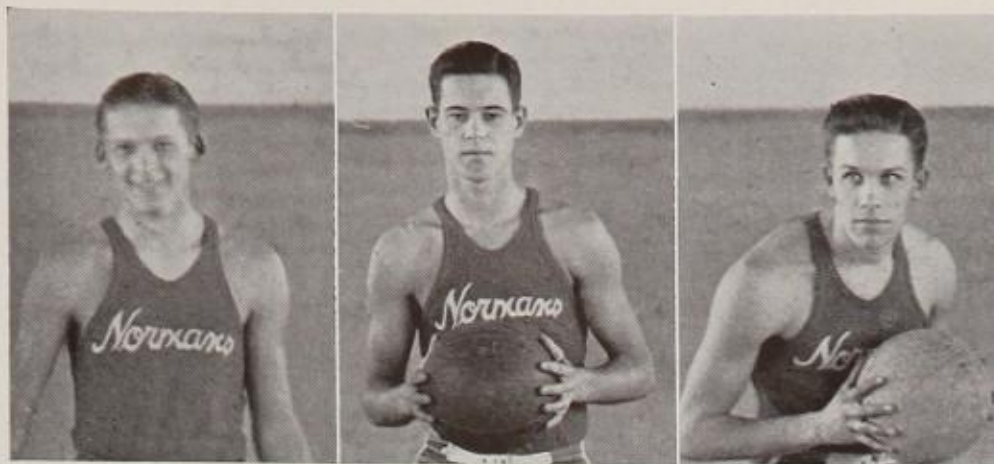

LINCOLN MACLISE
Forward

Great on grabbing the ball off backboard. Alternated at first team with Boggs. Played better in earlier games.

NED CRIST
Forward

Played forward or guard equally well. He was slowed up by an auto accident in mid-season. Two year monogram winner.

BOBBY REESER
Forward

A small forward who was a good shot. Played well on road trip. Played in every varsity game for two years.

IAN ELLIOT
Forward

Will see three more years of varsity competition. A polished ball player who figured greatly in first Compton victory.

CHARLIE BOGGS
Forward

Improved greatly during the season. Came through in pinches and won first Samohi game by three last quarter field goals.

CALIFORNIA INTERSCHOLASTIC FEDERATION

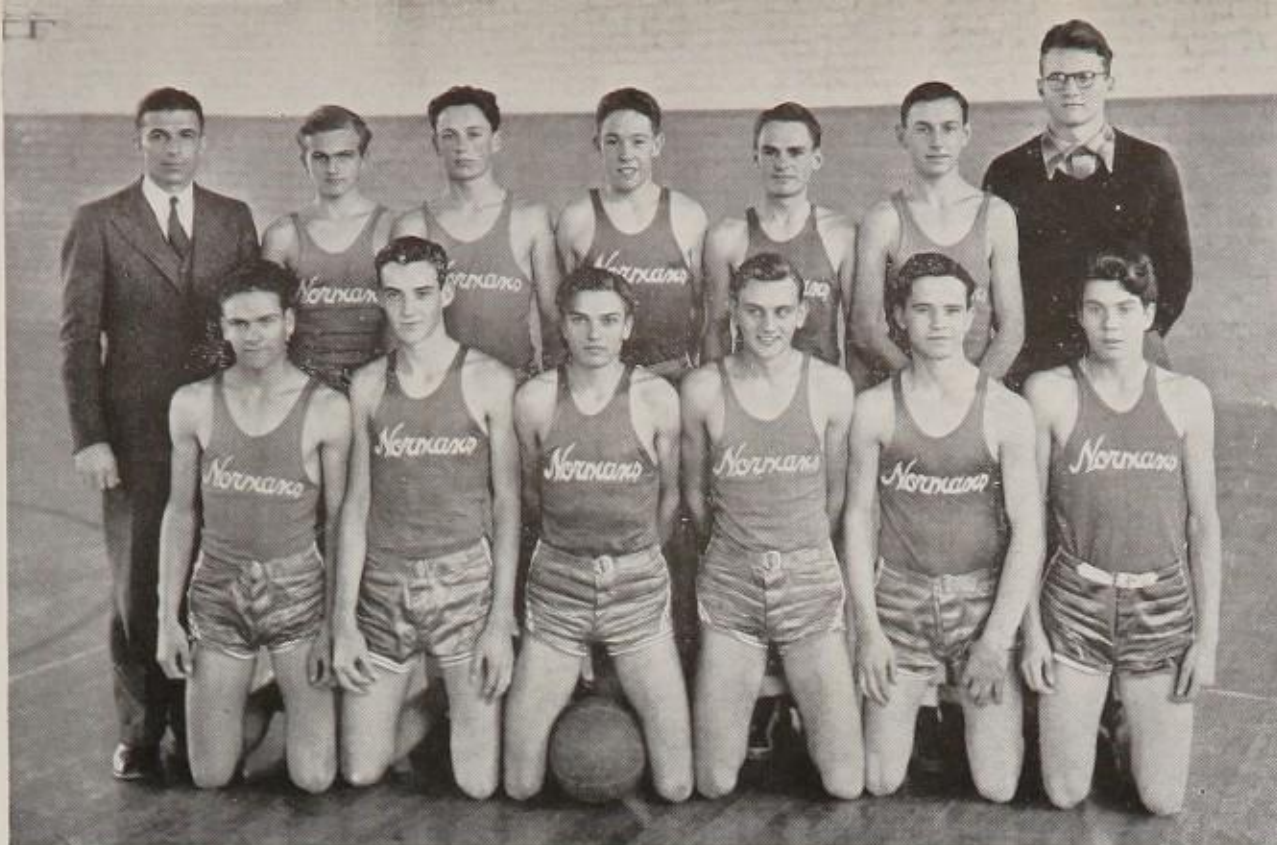

Finding a gap of about four men in both his first and second teams after the curse of graduation had hit the camp of the Championship Norman Casaba team, Coach Sax Elliot began to scout around among his third stringers, Jay Vees, and even the Bees for material.

Building around Captain Bruce Jermyn and Ian Elliot, Coach Elliot put Arnie Ballantyne and Sandy Cameron in the "front line" with Jermyn and Elliot and selected Bob Breckner for the one man guard post. After but one week of practice together, this five went out against a stubborn Harvard quintet, Champions of the Prep League, and emerged the victors by a score of 38 to 19.

The second game found the Normans handing a Carpenteria squad a sound lacing to the tune of 49 to 23, Sandy Cameron, hefty forward, doing most of the dirty work with 20 points to his credit. Jermyn and Elliot also assisted in the scoring. The third game was with Chino, Champions of the Tri-County League, in a quarter final game which ended 25 to 21 in the favor of the Orange and White.

Reaching the semi-finals, the team came up against a terrifically fast breaking attack employed by Whittier High, Champions of the Foothill League. The game was nip and tuck up to the fourth quarter when Whittier pulled away to a 38 to 29 win.

Coach Elliot is deserving of a great deal of credit for molding a comparatively strong team with so little material and for going out and reaching the semi-finals of the C.I.F. competition with little or nothing expected of them.

COACH KENNY MITCHELL

LIGHTWEIGHTS

The Norman Lightweights, under the direction of Coach Kenny Mitchell, had a successful season, finishing in third place. They came out with a 500 average, winning four games and losing four. The wins were two over Inglewood and two over Santa Monica. The losses were to Redondo and Compton, the winners. A strange thing was that although they defeated Santa Monica twice, the Vikings still finished ahead of the Normans, while the Redondo Bees twice defeated the locals and still finished in fourth spot.

Mitchell was greeted by one returning Bee in the form of Gordy Hodge who was elected Captain. Mitchell also brought six of his Championship Cees with him to form the nucleus of his ball club. Neil Casson made a good team mate for Hodge at forward, while Bob Hicks, lanky newcomer, held down the center spot. Bill Loy, veteran guard, turned out to be the spark plug of the team, turned in some beautiful basketball, and was finally asked by Coach Elliot to play for the varsity for the C. I. F. games. Con Hayes made a dependable standing guard. Reserves included Greg Kelly, Dick Simons, Al Woodill, Kyle Grainger, and Rocky Karns.

Pittinger, Perry, Vail, Harms, Copes, Ingram, Healy, Martindale, Johnson, Hull, O'Neill, Rose, Woods, Canady.

CEE AND DEE BASKETBALL

The Cee and Dee Casaba Fives, under the tutoring of Coach John Canady, both finished fourth in Bay League competition. The Cees were Captained by Jack Jenness while the Dees were headed by Tom Harms.

Both the squads won one game during the season, each emerging victorious from the Santa Monica fracas. Captain Jenness was the leading scorer and player for the mid-gets, doing most of the ball handling and floor work. In this, his last year of competition, Jenness came through with flying colors. Others to complete the first string were Al Vail, John Golsen, Charles Brown, Joe Ginder, and Ruggles Hammond.

The Dees were headed in scoring by the much-shooting little guard, Chuck Martindale, who promised to be a future Bob Moulton till he was forced to leave school. He resembled Moulton as a Dee both in style and build. Others on the squad were Captain Tom Harms, Frank Rose, Frank Ingram, and Whitey Collins.

Bausher, Brown, Golsen, Driver, Davis, Ginder, Healy, Griffin, Vail, Hammond, Jenness, Neblett, Wood, Canady.

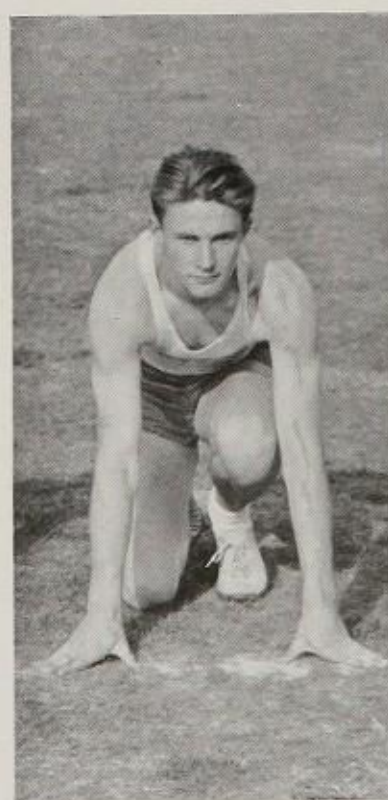

CHARLES BROWN. In turning out the fine track teams that he did, Coach Brown gained himself the reputation of one of the best high school coaches in the business. The way he built from the Cees and Bees till he had championship Varsity, Bee, and Cee teams was truly outstanding. Beverly should be proud to have such a fine man as head of the department. The way he has developed stars in the lower grades assures a great future for Beverly Track.

T R A C K

JACK OGILVIE. Jack was one of the best sprinters in Southern California, at one time holding the best mark set in the 220 all year, that of 21.8. Jack was undefeated all season in seven meets in the 220, and won the 100 in six meets, taking second in the seventh. A true leader because he was an ideal, a mark for which his team-mates could shoot. His running was as smooth as the wind and his ability can not be rated higher than his sportsmanship.

VARSITY TRACK

Coach Charles Brown's stellar Varsity Track squad brought home to Normandy the second Bay League Major Sport Championship this year by winning all their dual meets and then taking the Finals with ease.

Coach Brown was fortunate in having many experienced men returning and molded together a great squad which brought much fame to Beverly. Many records were broken during the season, mainly, Jack Ogilvie's 10s in the 100 and the 220; Warren Lewis' 2:02. 1 in the 880 (not allowed because of the lack of watches); Bob Lavery's 25.7 in the Low Hurdles; Ed Spence's 117 feet in the discus; and Gil LaCava and Jack Schilling's 6 feet 2½ inches in the high jump; plus the Relay record of 3:31.8 set by Johnny Grant, Joe Caliva, Redge Henn, and Jack Ogilvie.

Brown will have many men returning next year, among those from the Varsity; Jim O'Rielly, Warren Lewis, Roland Perry, Paul DeBaugh, Gil LaCava, Jack Rosenberg, Ian Elliot, and Ed Spence.

A highlight of the year was the trip to Carpinteria to engage in the annual Russell Cup Meet. The Normans entered a Varsity and Bee team and came home with both division's winner cups.

INGLEWOOD . . . The Normans won handily from the Sentinels in this dual meet, 67 to 46, but they turned out to be the closest competitors in the finals. Jack Ogilvie won both sprints while Bob Laverty copped both Hurdle races for the features of the day along with Bruno of Inglewood's double win in the 880 and Shot Put. Other Norman wins were Holnback in the Mile, LaCava in the High Jump, Cooper in the Broad Jump and the Relay.

GIL LaCAVA STARTS HIS CLIMB

PAUL DeBAUGH
Hurdles. Paul set a new school record in the highs at the C.I.F. prelims. at 16.1. A form hurdler and a valuable man.

JACK SCHILLING
High Jump, Broad Jump, Relay. Jack was Beverly's star, winning the C.I.F. high jump and setting a new school record. A great broad jumper too.

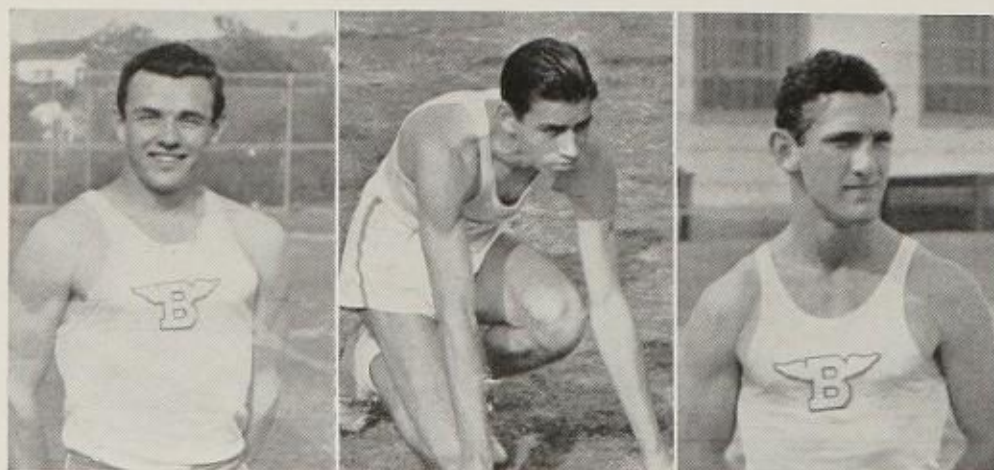

GIL LaCAVA
High Jump. Bee champ who was steady winner in pet event at around 6 feet. Had record at one time at 6 feet 2 1/2 inches.

COMPTON . . . This highly touted meet turned out to be a rout in Beverly's favor. The two teams were not supposed to be more than 5 points apart at the end, but the end saw Beverly winning 73 to 40. Jack Ogilvie again doubled in the sprints over Compton's highly touted star, McCart. Compton showed strength in the weights with Yorston the double winner. Gil LaCava cleared his best mark of the year at 6 feet 11 1/2 inches. Ogilvie set the 220 record at 21.8 and tied the 100 at 10 flat. Bob Laverty set the new school record of 25.7 in the lows and would have had the highs too if he had not fallen.

REDONDO . . . With Ogilvie and Cooper not competing, the Varsity defeated Redondo 92-19 in the worst rout of the season. Taking every first place and yielding but five second places, the Norman completely dominated things. Emmons Williams, Bee Captain, running Varsity was the star of the day, winning the 220, Low Hurdles, and Broad Jump. Jack Schilling was double winner in the Broad and High Jumps. Beverly ran two relay teams in both A and B and finished one-two in both races.

JOHNNY GRANT
Sprints. Another of the great Beverly sprinters, Johnny improved steadily all season till he took two thirds at the finals.

BILL DUNHAM
Sprints

JIM O'REILLY
440. Jimmie was a made-over sprinter who turned to the 440 in the League prelims. He won his heat and took a third in the finals. Two more years.

WARREN LEWIS
880. Lewis was second best in the League and broke the school record twice. He will be back next year.

CARL HOLNBACK
Mile. Beverly's only miler. Carl was twice a dual meet winner, succumbing only to three in the finals.

BOB LAVERTY
Hurdles. Bob broke both the Bee and Varsity low hurdle records this year and took a second and third in the finals.

BAY LEAGUE FINALS . . . Beverly came out decidedly on top in this meet with 65 points compared with Inglewood's 52 and Santa Monica's 47. Winners were Ogilvie in the 220; Schilling in the Broad Jump and tie with LaCava in the High Jump for a new school record of 6 feet 2½ inches, and the Relay Team. Many seconds and thirds were the deciding factor for the Normans. Ogilvie was defeated for the first time this year in the 100 by McCart of Compton. Fine performances were turned in by Laverty in the Hurdles, doing much better than expected; Walt McKenzie in the Pole Vault, clearing 12 feet for a second; Jack Ogilvie in the Relay, who after being spiked at the start of his anchor lap finished the race in first place with blood streaming from his shoe to preserve the Relay team's unbeaten record.

WALT MCKENZIE
Pole Vault. Walt was Beverly's number one vaulter and cleared 12 feet twice during the year, once for a second in the finals.

NAT BLANKENSHIP
Pole Vault. A consistent vaulter at around 11 feet, Nat picked up many valuable points for the Normans this year.

GUY COOPER
Broad Jump, Hurdles. Guy ran Bee in the finals, but was one of the leading Broad Jumpers in Varsity dual meets.

BEE TRACK

The Bee Track team this year successfully defended their Bay League Title by coming through with 47 points and a first place in the League Finals. The closest competition came from Compton who nearly won with 44 1/2 points.

The squad, also coached by Charles Brown, with the assistance of Walt Herried, after easily defeating all comers in dual meets, bogged down considerably in the finals, just barely emerging the winner.

Probably outstanding was Captain Emmons Williams, who, lending his talents to the 100, 220, Low Hurdles, Broad Jump, and Relay came through to break Johnny Grant's record with a 22.5 furlong. The highlight of his career was in the Redondo meet when he ran Varsity and took a first in the 220 and Low Hurdles and a second in the Broad Jump. He also took a fifth in the C.I.F. meet in a 21.6 race.

Other outstanding athletes were Bill Dunham, co-record holder in the 100 at 10.1; Guy Cooper, Hurdles, Broad Jump; Chuck Kennedy, stellar 660 man; Paul Christinson, 1320; Jack Wells and Amos Sherwin, Hurdlers; Nat Blankenship, great Pole Vaulter; Phil Hutchins and Bob Foster, Shot Putters; Dick Homeyer, High Jumper; and Dick Simons; 220 and Relay.

CEE TRACK

The Cee Tracksters enjoyed a highly successful season, coming through with an unmarred record in all dual meets and winning handily the Bay League Finals with a total of 40½ points.

The pride and joy of the Midgets was Norman Nicholson, who not only broke the Shot Put record four times during the season, but was the only Cee to win a gold medal in the C.I.F. meet. Norm won this event with a heave of 50' 3", just 3 feet better than he had ever done before and just one inch under the state record, set the previous week. Great things are expected of Nicholson.

Others outstanding for Beverly were Ashmead Scott, young ninth grader, who won the Bay League 660 and promises to be a great distance man; Jimmie Hull, stellar High Jumper, who is also a ninth grader and who set a new Cee High Jump record; Captain Kyle Grainger, who was bothered by a badly wrenched foot most of the year but who managed to keep his Broad Jump above par; Chuck Bollar, Jack Jenness, Myron Harris, and John Strock, all potential sprint stars; John Golsen, High Jumper; Bob Ullman, potential Broad Jump star; and Philip Shean, promising Hurdler.

JOHN CANADY. Faced with the job of building a Baseball club from green material for the second time in two seasons, Coach Canady deserves a world of credit for sticking with his boys and molding real ball-players out of them and building for the future even to the extent of sacrificing this year's hopes. A coach well liked by all; a finer man would be hard to find.

B A S E B A L L

PAUL THOMPSON. Paul was the mainstay and only experienced member of the baseball team and used his experience to good advantage by teaching and guiding the younger members of the team in learning their positions. His constant chatter and steady play behind the plate was an outstanding feature of the team and his swaggering personality will be sorely missed when Canady issues the call for baseball next year. He led the team in batting this year.

Healy, Frankenberg, Kindilon, Patterson, Barton, Borchard.

VARSITY BASEBALL

The Varsity Baseball team, under the direction of Coach John Canady, was the least successful of the major Norman teams. Having but one out of four returning lettermen available during the season, Canady was forced to build from pea-green material a squad to represent Beverly.

The lone returning Letterman who was available was Paul Thompson who was elected Captain of the club. Thompson, a steady catcher, was the mainstay of the team during the season at his position behind the plate.

The success of the Basketball team in the C. I. F. competition was the downfall of the Baseball team. Bob Breckner and Jack Donoghue, returning monogram winners, and Bruce Jermyn and Bill Loy were all members of the Casaba team and were thus forced out of Baseball. Breckner at first base, Loy at second, Jermyn at third, and Donoghue in the outfield would have bolstered the team considerably.

The team lost all of its league games by rather large scores, the main trouble being lack of support for the pitcher. Being an inexperienced team, not much was expected of them.

**MAYNARD
FRANKENBERG**
Shortstop

An experienced ball player who, although not very dependable, played well at his position.

GEORGE PATTERSON
Second Base

A little red-head who did right well in his first year of baseball. A fair hitter and fielder.

AL SHRADER
Field

A senior playing his first year of ball and making a good job of his outfield post. A timely hitter.

BOB HICKS
Field

A dependable fielder who went errorless during the season. He played first base at the start of the season.

DICK BARTON
First Base

A tenth grader who filled in during Breckner's absence, and did a good job of it. Will be valuable.

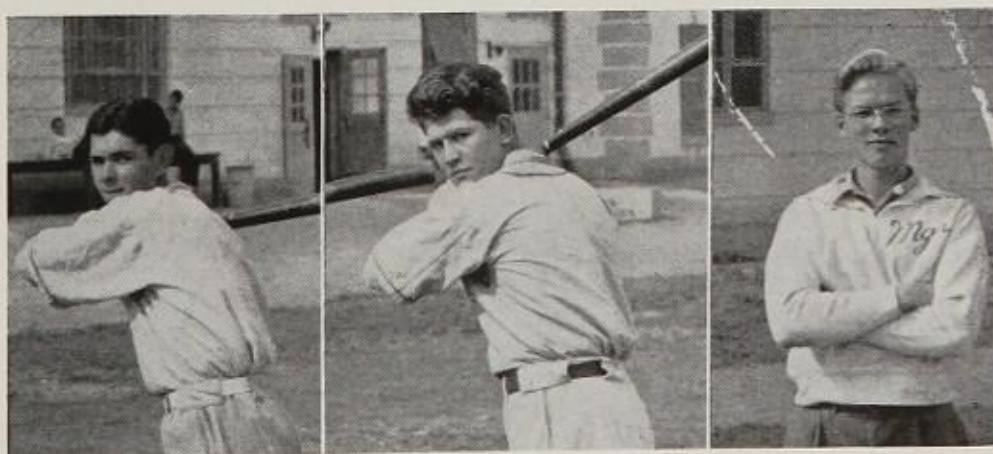

FRED BORCHERT
Third Base

A newcomer who will see action for one more year. Fred covered a lot of ground at the hot spot.

BOB KINDILON
Infield

JACK MADSEN
Pitcher

A boy with a terrific fast ball who lacked only experience. Jack also caught a few games.

BILL HILLARD
Field

A newcomer with a terrific arm who will see action for two more years. A slugger who will be heard from.

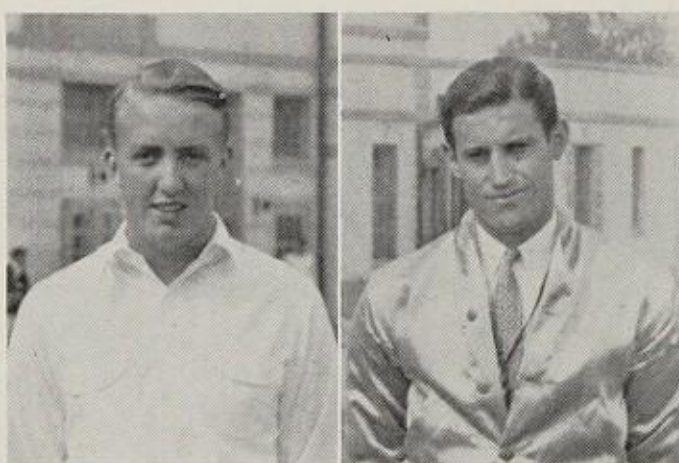

LARRY MacKENZIE
Field

Still another newcomer who will gladden Coach Canady's heart next year. May develop into a good hitter.

CAPTAIN STAN JAMISON COACH SAX ELLIOT

VARSITY SWIMMING

The Varsity Swimming Team, expertly coached by Sax Elliot, came through to an unexpected second place in Bay League Competition, losing out to Redondo in the finals by seven points.

Captain Stan Jamison led his splashers during a successful season of terrific practice meets and a tough League Finals. It was because of this effort that Beverly drew nearer the coveted Iron Man cup. Santa Monica was third in the finals with 20 points, followed by Inglewood with 17 and Compton with 6. Redondo had 48 to the Normans' 41.

Stan Jamison led his men by winning the Breast Stroke and the individual Medley swims. Stan broke the Bay League records in both these races and on the same day. Big things are to be heard from the Norman Captain in the next few years as he is being groomed for the next Olympics.

Support for Jamison came in the form of Larry Rose, in the Back Stroke; Morgan Tyler in the 50; Corky Smith in both sprints; Walter Stoessel in the 100; Roger Lavery in the 220; and Morgan McGilvary in the 440, a truly gruelling race. Harry Perry, Pat Randall, and Bob Ramsaur were the leading divers. They finished 2-3-4 in the League finals.

Erwin, Boehm, Johnson, Pinkham, Winnett, Vail, Elliot,
Robertson, Straub, Bausher, Perry, Davis, Wilson.

BEE SWIMMING

The first Bee Swimming team in the history of the school had a very successful debut, coming in third in the Bay League finals, to say nothing of beating out Santa Monica, which helped a lot in the Iron Man Cup race.

Most of the fellows competing on the team are lower graders and will be back next year. The following boys were outstanding during the season and were given letters.

Bausher in the 50; Bolen in the 100; Johnson in the breaststroke; and Irwin, Boehm, Robertson and Bausher, who made up the relay team.

GOLF

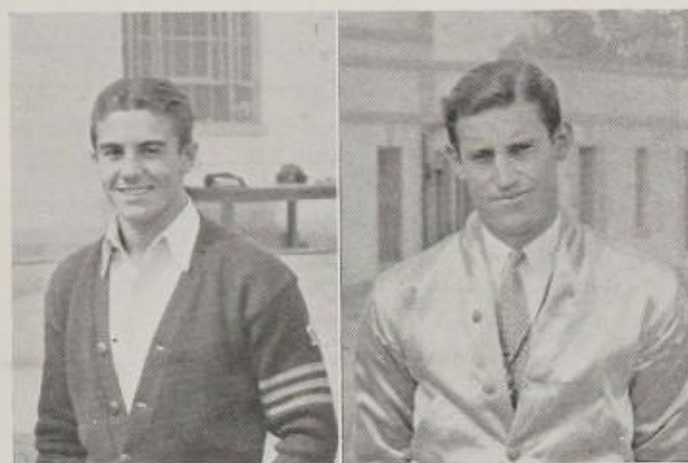

Bringing to Beverly for the second successive year the Bay League Championship, the Norman Golf team, under the coaching of Alfred Nichols, came through with an easy victory in the League finals held at the Hollywood Country Club, defeating their nearest opponent, Redondo, by over 70 strokes.

Captain Roscoe Karns, Jr., led his teammates most of the season, consistently shooting in the 70's. "Rocky" was a fine leader and a good tournament player. Jack Manville, playing second man turned in some fine golf all season, and will return next year as will Irving Hellman, Jr., who was third man. The rest of the team was composed of Guy Price, Earl Hughes, and Greg Kelly. The competent manager was Al Woodhill.

The team went on to C.I.F. competition, and at Press time they were in the semi-finals, after having defeated Glendale in the first round.

CAPTAIN DOUG CLOAKEY COACH SAX ELLIOT

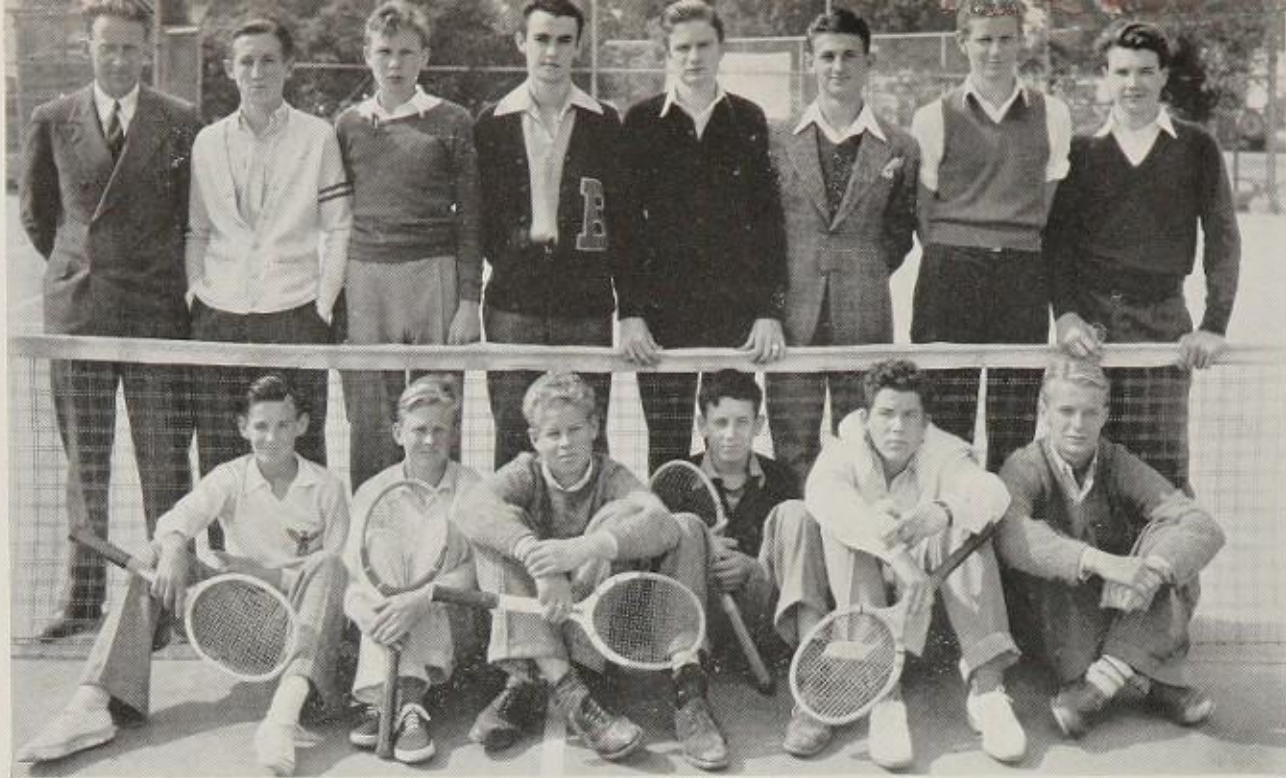

GYM TEAM

The perennial championship Gym Team again had a highly successful season for the fourth successive year. Under the able tutoring of Sax Elliot, who developed many new stars to take the places of the ones he lost by graduation, the team went on to lose but two out of seven meets, one to Washington, champions of the Northern League, and the other to Manual Arts, for two years, City-wide Champions.

The wins were over Hamilton 77-19, Santa Paula 76-29, Los Angeles 88-58, S.C. Frosh, and U.C.L.A. Frosh.

The team was led by Captain Doug Cloakey, who also led his team in scoring, building to a total of $86\frac{1}{2}$ points during the year. Doug competed in nearly every event, including the Rope Climb, Long Horse, Rings, Free Ex. and the Parallels. "Ollie" Olsen was runner-up in scoring. Competing for his third year, Olsen scored $65\frac{1}{2}$ points in the same events that Cloakey did.

Ted Ballard followed with 45 points, made primarily in the Free Ex. and Parallels. George Oliver was right behind with 44 made in the same events. Following are the rest of the leading scores; Freddie DeFrancisco—20; Herbert Twitchell—20; Harry Perry—17½; Dick Whimpy—17; George Homer—17; Charles Rutherford—16; Hardy Olsen—10.

BILL REEDY

COACH
HOWARD LEA

TENNIS

The Norman Tennis team, runner-up to Santa Monica last year, finished in third spot this season with two wins and two defeats. The team was led by Captain Bill Reedy, who teamed with Mike Zimmerman at first doubles. Danny Jones and Bill Chapman took care of second doubles while red-haired Dick Kittrelle was first singles man. Arthur Marx, Neal O'Connor, Arthur Blish, and Henry Kidd took care of the other singles.

Probably the reason for the failure of the team to live up to expectations was the lack of spirit within the team. Most of the men were two or three year men and probably did not give all they had. They were easily the second best team in the League, and might have beaten Samohi, to whom they lost by one point. The team was coached by Sax Elliot during the first part and by Mr. Howard Lea during the last part. Zimmerman, Chapman, Marx, Blish, and Kidd will return.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, boasting a membership of three hundred under the leadership of Sally Millhauser, first semester, and Virginia Edington, second semester, with Mrs. Anna Wilson as sponsor, and the help of the Physical Education Department, underwent several radical changes. The Letter Girls' Association was dispensed with, and there was no longer a point system. Under the G. A. A. teams were organized for the following major sports: basketball, hockey, and baseball.

Sally Millhauser, Nancy Allen, and Miss Janet Patey attended a convention held at Carpentaria Union High School on November 21, which resulted in our joining the Girls' Athletic Federation. The ambition of the G. A. F. is to further athletic interests and activities, and to foster a spirit of genuine cooperation among the Girls' Athletic Associations of Southern California High Schools.

This year Beverly girls were hostesses at two Play Days. The first was a High School one on November 17, the purpose of which was to introduce two-court basketball to other schools. The second was a Grammar School Play Day on January 15, and the purpose of this was to introduce the grammar school girls to Beverly High's athletic association. Beverly was fortunate in being one of the five guest schools to be invited to a Play Day on April 10 held at and given by Santa Monica High School.

One of the outstanding and most successful events in the G. A. A. social calendar was the party held at the Rollerdrome on February 27, which was to acquaint all members.

This year the G. A. A. sponsored several clubs, namely: Archery, Golf, Riding, Badminton, Tennis, and Fencing.

BASKETBALL

The most prosperous season was that of basketball. The turnout was magnificent, and much enthusiasm was displayed. Under the able management of Pat Jameson and the combined sponsoring of Mrs. Anna Wilson and Miss Janet Patey, many teams were organized. After school inter-class games took place, involving keen competition. Toward the end of the season it was decided that there should be two All Star Teams.

Aletha Smith, Martha Austin, Martha Darbyshire, Isabel Darbyshire, Nancy Allen,
Mary Pabst, Pat Jameson (C), Diana Burke.

Billie Greenbaum (C), Jewel Berry, Willis Wright, Marie Orth, Harriet Stacy, Sally Millhauser.

Every girl who came out for basketball had the right to vote for the sixteen players whom she thought best fitted for this honor. Finally the teams were thus chosen—one captained by Marie Orth, the other by Pat Jameson. For further distinction the two All Star Teams played each other, with Marie's team the victor. The next step for the winning team was the game against the women's faculty in which the All Star Team barely won by a score of 21-29.

TENNIS TEAM

The tennis team, sponsored by Miss Helen Clark, had a fairly successful season. There were however, two outstanding events: Jane Lang won a trophy at the Fullerton Union High School annual mid-winter tournament held in November, and Mary Lester and Jane Lang reached the semi-finals in the twenty-second Dudley Cup Tournament held at Lincoln Park. The team consists of the following players: Jane Lang, first singles; Mary Lester, second singles; Louise Brough, third singles; and Ruth Doiran, fourth singles. The "doubles" lined up in the following order: Virginia Edington and Peggy Stewart, first doubles; Helen and Dorothe Winston, second doubles.

Sue Sproull (C), Martha Darbyshire, Barbara Berry, Martha Jarvis, Mary Pabst, Dona Sue Finner, Constance Bridge.

Jane Forster, Dorothy Pagen, Beverly Joyce Newman, Virginia Edington, Louise Brough, Elinor Friedenthal,
Nancy Allen, Dorothe Winston, Helen Winston, Marilyn Magrill, Martha MacLise.

SWIMMING TEAM

The Swimming Team made a very memorable showing at the meet held at El Segundo on January 10. It brought home second place honors to Beverly with a score of 34 to the winning 51. First place winners were: Diana Burke, breast form; Janet McDonald, 50 yard free style; Martha Darbyshire, stunt relay; and Lorraine Martin, diving. Those with second place laurels were: Betty Hall, 25 yard free style; Pat Jameson and Loretta Lehton tied in the 25-yard back stroke; and Pat Jameson, Janet McDonald, Ruth Reasoner, and Sue Sproull in the 100-yard relay. Third placers were: Evelyn Bowker, 25-yard free style; Ruth Hansen, 50-yard free style; Martha Darbyshire and Sue Sproull tied in the side stroke form. With practically no practice as a team or otherwise, our girls made a splendid showing.

BASEBALL

The baseball season suffered greatly this year. The first turn-out was quite large, but as time wore on the girls dropped out. It was impossible to organize class teams because of the lack of players; therefore, the only teams were the two which represented Beverly in the Santa Monica play day. Dianna Burke, manager, tried her best to arouse interest in this sport, but she did not receive enough cooperation.

SPECIAL ACTIVITIES

Special Activities consists of several games such as: ping-pong, tether ball, paddle tennis, darts, deck tennis, box hockey, croquet, shuffle board, and badminton. These are sports most likely to be carried on outside of school in leisure time, so it was decided to cultivate them.

Every girl has an opportunity to sign up for the activity she prefers. If she is the type who does not care for team sports, the Special Activity group affords great variety.

HOCKEY

This year the hockey season was hindered greatly by rain. The field was constantly filled with large and sundry mud puddles which took days to dry. Finally, however, a voluntary team was organized to go to the Santa Monica play day. Tru Bolin was elected captain, and the team emerged with a nothing to nothing score. This was a surprise to all, as our girls had so little practice. It is sincerely hoped that the hard luck of this season will not be repeated.

Rows on rows of canvas-covered frames,
Now sheltering the romping Norman horde.
Winter has passed unto a restless spring—
And soon the summer will find this city still.
